

## CHAPTER V

### CONCLUSION AND SUGGESTION

In this chapter, the writer presents the conclusion of the study and the suggestions. The conclusion is line with the problems statement, objective of the study and the result of data analysis. The suggestion is in line with the significance of the study and the result of the study. The conclusion and suggestions are presented below.

#### 5.1 Conclusion

The conclusions of the study are as follows.

1. The second year students of SMPK Sta.Familia Sikumana Kupang in the school year 2018/2019 were not able to use preposition of time in sentences. There were only 3(11.53%) students who passed the test and 23(88.46%) students failed.
2. The ability level of the seventh grade students of SMPK Sta. Familia Kupang is **poor**.
3. The most difficult preposition of time is since.

#### 5.2 Suggestion

Based on the conclusions, the writer would like to give suggestion that might be useful for (1) The English teacher must do remedial teaching for the folowing prepositions of time : **on, in, at, for, by, since, during, until, after and before**. (2) The students should learn more prepositions of time.
