

## CHAPTER V

### CONCLUSION AND SUGGESTION

This chapter is about conclusion and suggestion dealing with the result of data analysis as has been discussed in chapter four.

#### 5.1 Conclusion

Based on the previous discussion of this study, the writer would like to conclude that:

1. The grammatical errors made by the students in constructing recount text is **130 (100%)**. Most of students made errors in Misformation with the total number of error is 90 (69%), Omission 29 (22%), Addition 8 (6%) and Misordering 3 (2%).
2. The most common grammatical error made by the students in writing recount text is Misformation with the total number of error is 90 (69%). In the second position is Omission, and it is followed by Addition and Misordering.

## 5.2 Suggestions

Based on the conclusions the writer would like to offer the following suggestions:

1. The students must learn more about grammar especially regarding the grammatical aspects, such as verbs, nouns, adjectives, adverbs, to infinitive, preposition, and articles.
2. The teacher must pay more attention to the grammatical aspects when it comes to teach recount text.
