# CHAPTER V

# CONCLUSION AND SUGGESTIONS

In this chapter the writer presents the conclusion and suggestion of the study. The conclusion is done based on the data analysis in chapter IV, which is in line with the problem statement. The suggestion is done based on the conclusion which is achieved from the result of the analysis and discussion. The conclusion and suggestion in details are presented below.

## 5.1  Conclusion

Based on the result of the data analysis, the writer comes to the conclusions as presented below.

1.  The eighth-grade students of SMPN 2 Kupang in the school year 2018/2019 have mastered  the tested vocabularies.
2.  The students' mastery level is 9.1 (91%).  which is classified as **very good.**

## 1.2  Suggestion

Based on the conclusions above, the writer would like to suggest the following things.

1.  To the Writer

The writer as a prospective teacher in preparing herself to become a teacher in the future. Seeing the result of the study above the writer is

motivated to study hard about English grammar, acquire more vocabularies and try to get a good way of how to solve students problem in improving their vocabulary mastery.

2. To English Teacher

The result of the data analysis and the suggestion can give a valuable contribution to the teacher of English about the ability of students in vocabulary mastery. They can improve their method of teaching English especially they should help the students on grammar and vocabulary mastery by giving more excercises about the vocabulary mastery.

3. To Students

Based on the result of the study, they can be motivated to study more English, especially in comprehending of vocabulary mastery. They can try to do more exercises in English reading text and try to get more vocabulary. The writer also suggests them to learn more about grammar that can help them to improve their vocabulary mastery.
