

CHAPTER V

CONCLUSION AND SUGGESTIONS

In this chapter, the writer presents the conclusions and suggestion of the study. The conclusions is done based on the data analysis in chapter IV, which is in line with the problem statement. The suggestion is done based on the conclusions, which is achieved from the result of the analysis and discussion. The conclusion and suggestion in details are presented below.

5.1 Conclusion

Based on the result of the data analysis, the writer comes to the conclusions as presented below.

1. The eleventh grade students of SMPK. St. Theresia “DISAMAKAN” Kupang in the school year 2017/2018 are able to comprehend the narrative text they read.
2. The result of the study shows that the students’ level of ability in reading comprehension of narrative text in form of multiple choice test is fairly good with the total score (71.87) or 7.1 as the grade.

5.2 Suggestion

Based on the conclusions above, the writer would like to suggest the following things.

1. For the English Teacher

In order to improve the students' ability in reading comprehension, the English teacher should give the students more explanations about narrative text, and giving more exercises in form of multiple choice test.

2. For the Students

The result of the students ability is fairly good thus the students should pay more attention and do more exercises about narrative text. The practices can be done in the classroom or at home by doing homework so their level of ability can be better.
