In this chapter, the writer would like to presents some conclusions and suggestions based on the data analyzed.

#### **1.1 Conclusion**

Based on the study the writer concluded that:

1. The eleventh grade students of SMAN 4 Kupang are able to speak English based on the grammatical structure, vocabulary and pronunciation.
2. The student's ability level in speaking English is "very good" (13,05).

#### **1.2 Suggestions**

Based on the result of the data analyzing, this study on another side shows that the students were able to speak English but on the other side, they commitees so many errors dealing with grammar, vocabulary and pronunciation. So the writer would like to give some comments dealing with the findings:

##### **1. For English Teacher**

It is advisable to train the students to speak English in class the teacher has to pay attention in these three aspects grammar, vocabulary and pronunciation to improve students' speaking in the future.

## **2. For the students**

For better communication, the students have to improve their pronunciation by listening to the radio and TV program which uses English. They are also advised to enrich the stock of vocabulary such as by reading English book or magazine.
