CONCLUSION AND SUGGESTION

In this chapter the writer presents the conclusions and suggestions of this study. The conclusion was done based on the results of the data analysis and discussion in previous chapter (IV). The suggestion was done based on the conclusion of this study. They are presented as follows.

5.1 Conclusion

Based on the data analysis and discussion the writer could give conclusion as follows:

1. The eleventh grade students of SMK Sint Carolus Kupang were able to use gerund in sentences.
2. The ability level of the eleventh grade students of SMAK Sint Carolus Kupang in the school year 2017/2018 in using gerund was (6.0) which is classified as average.

5.2 Suggestion

Based on the conclusion, the writer overs some suggestions presented as bellow:

1. The teacher should give more attention to the teaching of gerund especially on the gerund as subject, gerund as an object and gerund after preposition.

2. Since many students found difficult in translation the sentences by using gerund, it is very advisable for the students to learn grammar and general gerund in particular. They are also expected to develop their stock of vocabulary.
