CHAPTER V

CONCLUSSION AND SUGGESTION

5.1 Conclussion

Based on the findings as discussed and described in the previous chapters, the writer would like to conclude some conclusion. The conclusion is based on the problem statements, objectives, and the data analysis. There are some reduplications of adjective words in LL spoken in Middle Adonara.

5.1.1 The form of reduplicatin of adjective words in LL spoken in Middle Adonara.

After analysing the data taken from the adjective words *hungry, smart, naughty, delicious, thick, slow, much, cold, weighty, high, fast, dirty, big, finicky, red, thin, light, clean, stupid, and expensive,* the researcher found that there are two kinds of reduplication of adjective words in LL spoken in Middle Adonara, such as:

1. Full Reduplication

Full reduplication involves a reduplication of the entire word. For examples: *malu* 'hungry', *malu-malu* 'very hungry', *pade* 'smart', *pade-pade* 'very smart', *kebekek* 'nauhgty', *kebekek-kebekek* 'very naughty', *mae* 'delicious', *mae-mae* 'very delicious', *pewere* 'thick', *pewere-pewere* 'very thick', *pao* 'slow', *pao-pao* 'very slow', *aya* 'much', *aya-aya* 'very much', *gelete* 'cold', *gelete-gelete* 'very cool', *baat* 'weighty' *baat-baat* 'very weighty', *belolo* 'tinggi', *belolo-belolo* 'very high'.

2. Partial Reduplication

Partial reduplication involves a reduplication of only part of the word. For examples: *malu* 'hungry', *mamalu* 'very hungry', *pade* 'smart', *papade* 'very smart', *kebekek* 'nauhgty', *kekebekek* 'very naughty', *mae* 'delicious', *mamae* 'very delicious', *pewere* 'thick', *pepewere* 'very thick', *pao* 'slow', *papao* 'very slow', *aya* 'much', *aaya* 'very much', *gelete* 'cold', *gegelete* 'very cool', *baat* 'weighty' *babaat* 'very weighty', *belolo* 'tinggi', *bebelolo* 'very high'.

5.1.2 The kinds of words that are possible to form reduplication in LL spoken in Middle Adonara.

Based on the data in appendix , there are many adjectives word taken by researcher as sample in doing research but the research only only chose 20 adjectives to be analyse because in LL in Middle Adonara, whole of the adjectives get reduplication in full and partial.

Example:

Full Reduplication	Partial Reduplication
1. *malu-malu* " very hungry"	*mamalu*
2. *pade-pade* "very smart"	*papade*
3. *kebekek-kebekek* "very naughty"	*kekebekek*
4. *mae-mae* "very delicious"	*mamae*
5. *pewere-pewere* "very thick"	*pepewere*
6. *pao-pao* "very slow"	*papao*
7. *aya-aya* "very much"	*aaya*
8. *gelete-gelete* "very cool"	*gegelete*
9. *baat-baat* "very weighty"	*babaat*

10. *belolo-belolo* "very high"　　　　　　*bebelolo*

11. *bere-bera* "very fast"　　　　　　　　*bebera*

12. *mila-mila* "very dirty"　　　　　　　*mimila*

13. *bele-bele* "very big"　　　　　　　　*bebele*

14. *ketoek-ketoek* "very finicky"　　　　*keketoek*

15. *mea-mea* "very red"　　　　　　　　*memea*

16. *menipi-menipi* "very thin"　　　　　*memenipi*

17. *kelea-kelea* "very light"　　　　　　*kekelea*

18. *lae-lae* "very clean"　　　　　　　　*lalae*

19. *belia-belia* "very stupid"　　　　　　*bebelia*

20. *welin-welin* "very expensive"　　　　*wewelin*

5.2 Suggestion

In line with the significance of the study and the result of the data analysis, a number of suggestion would be offered to many sides in accordance with their role, responsibility, capacity, and capability.

1. The experts of linguistics and other related subjects are suggested to do continued study or similar study to confirm and extend the linguistic evidence in forms of reduplication of adjective in LL spoken in Middle Adonara.

2. Other researchers are suggested to conduct a research on reduplication of adjective in LL spoken in Middle Adonara confirm.

3. Other researchers are suggested to design and to conduct other researchers focusing on other aspects of Lamaholot language spoken in Middle Adonara.
