

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

In this chapter, the writer presents some conclusions and suggestions based on the data analysis and data discussions. They are presented below:

#### **5.1 Conclusions**

1. Based on the data analysis in chapter IV, the writer would like to say that the tenth grade students of SMAN 1 Kupang are able to write descriptive text.
2. The level of student ability is classified "Average" (7, 52).

#### **5.2 Suggestion**

Based on the writing result analysis, the writer gives some suggestions as follows:

1. For the students of the researched school  
The students at the researched school should study more in grammar and vocabulary so that they will be able to write paragraph correctly.
2. For the English teacher of the researched school  
English teacher should pay more attention in teaching grammar and vocabulary so the students can write descriptive text grammatically correct.

3. For the prospective English teacher/ For the writer

As a prospective English teacher she should pay more attention in teaching writing descriptive text.
