

## **CHAPTER V**

### **CONCLUSIONS AND SUGGESTIONS**

In this chapter, the writer presents some conclusions and suggestions based on the data analysis and data discussion. They are presented below:

#### **5.1 Conclusion**

Based on the data analysis in chapter IV, the writer would like to say the following conclusions.

1. The ability level of the tenth-grade students of SMAN 2 Kupang (Language Class) is 10.35. It is classified as GOOD.
2. There are some difficulties committed by the students in grammar. Such difficulties include vocabulary, diction, spelling, and punctuation.
3. The tenth-grade students of SMAN 2 Kupang (language class), in general, are able to write descriptive text.

#### **5.2 Suggestions**

Based on the result of the data analysis, the writer gives some suggestions as follows:

1. For the Students
  - The students of SMAN 2 Kupang need to enrich themselves by mastering English vocabulary more in order to write a descriptive text.
  - Grammatical rule is another important thing they have to master. The students need to know the grammatical rules in writing descriptive text.

1. For the English Teacher

The English Teacher of SMAN 2 Kupang should pay more attention on the teaching of grammar especially tenses (the use of to be) choice of word, punctuation and spelling, choice of structure and vocabulary which is appropriate, because many errors are found on these aspects.
