Appendix 2. Interview that will be conducted after distributed questionnaire and purposive sampling.

Interview Questions

1. What motivated you to become a teacher, and how does that motivation influence your commitment to this job?
2. How do you define professionalism in the context of teaching?
3. Can you give an example of a situation where you felt you had to show extra commitment in supporting students?
4. How do you maintain a balance between the demands of your job and your personal life as a teacher?
5. What steps do you take to continue developing your skills and knowledge as an educator?
6. How do you collaborate with other teachers to improve the quality of teaching at school?
7. What is the biggest challenge you face in your role as a teacher, and how do you overcome it?
8. How do you assess your success in educating students? To what extent do you feel supported by the school management in your efforts to become a better teacher?
9. To what extent do you feel supported by the school management in your efforts to become a better teacher?
10. What are your hopes for the future of education at this school, and how do you plan to contribute to achieving those hopes?
