

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

In this chapter the writer would like to present the conclusion and suggestion.

#### **5.1 Conclusion**

There are some conclusions that can be gotten based on the result of the analysis:

1. The eighth grade student of SMPN 10 Kupang in the school year 2019/2020 were able to write descriptive text, as it as shown in the result of the analysis and discussion that all the students (20 respondents) passed the test.
2. The students level of ability in writing descriptive text was 7.55 classified as “Good”
3. Based on the students score above, it is shown that there were some difficulties faced by the eighth grade students of SMPN 10 Kupang in writing descriptive text as follows to: The students still produced ungrammatical sentences and lach of English vocabulary.

#### **5.2 Suggestions**

Based on the conclusion above, the writer would like to give some suggestions as the following

1. The English teacher should pay attention on the grammatical aspects such as the use of article, word order subject verb agreement and tenses because many errors committed by students were some aspects.
2. The English teacher should encourage the students to have sufficient stock of English vocabulary. Some students still face difficulties dealing with the content and the language use in the generic structure of the text.
3. The English teacher should pay attention on mechanics aspect such as the punctuations and spelling of words because some students were still confused how to put the punctuation correctly.
