

## **CHAPTER V**

### **CONCLUSION AND SUGGESTIONS**

In this chapter, the writer would like to present the conclusion and suggestion of the study. The conclusion is done based on the result of the data analysis and discussion in chapter IV, which goes in line with the problem statement. The suggestion is based on the conclusion which is got from the result of the analysis and discussion. The conclusion and suggestion in detail are presented below:

#### **5.1 Conclusion**

Based on the result of the data analysis, the writer comes to the conclusions as presented below.

1. The eighth-grade students of class VIII A SMPK Sta. Familia Kupang in the school year 2019/2020 are able to use simple past tense.
2. The students' ability level is 66.2 (66%). Based on the standard of measurement used in this study, the level of ability of the eighth-grade students of SMPK Sta. Familia Kupang in the school year 2019/2020 is fairly good.

#### **5.2 Suggestion**

The result of the study showed that the grade eight students of SMPK Sta. Familia Kupang were able to use simple past tense however, the writer would like to give some suggestions :

1. For the English teacher

The English teacher should give more attention and explanation about simple past tense especially constructing interrogative sentences. Remedial teaching is necessary in order to make the students understand better in interrogative sentences.

2. For the students

Based on the result of the study, students should study more English, especially in using simple past tense and how to answer question. They can try to do more exercises in English grammar especially in tenses.

3. For the writer

The writer as a prospective teacher in preparing herself to become a teacher in the future. Seeing the result of the study above the writer is motivated to study hard about English grammar, acquire vocabularies and try to get a good way of how to solve students' problem in using simple past tense.
