

CHAPTER V

CONCLUSIONS AND SUGGESTIONS

In this chapter, the writer presents some conclusions and suggestions based on the data analysis and data discussions. They are presented below:

5.1 Conclusions

1. The eleventh grade students of SMK Negeri Ile Boleng are able to write descriptive text.
2. The ability level of the eleventh grade students of SMK Negeri Ile Boleng in writing descriptive text is **good**.

Based on the student's paper and data analysis the writer found that some students of SMK Negeri Ile Boleng still have difficulties in writing descriptive text particularly the use of correct grammar and appropriate vocabulary.

5.2 Suggestions

Based on the writing result analysis, the writer gives some suggestion as follow:

1. The students of SMK Negeri Ile Boleng need to enrich themselves by mastering English vocabulary in order to write a paragraph more easily.
2. Grammatical rule is another important thing they have to master. The student need to know the grammatical rules in writing descriptive text.

3. Grammatical rule is another important thing they have to master. In this case, they don't need to be a perfect student in mastering all English grammatical rules but enough to understand well some general rules, like using auxiliary words and conjunction that deal with general knowledge in writing paragraph including descriptive paragraph.
4. The students of SMK Negeri Ile Boleng need to read English text more because by reading English text, the students can enrich the ability in vocabulary, form and improve the grammatical rules in the writing practice.
