

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter the writer presents some conclusions and suggestions based on the result of the analysis and discussion.

5.1 Conclusion

After analyzing and discussing the students' errors in their writing the writer concludes that

1. The types of grammatical of errors made by the tenth grade students of SMA Negeri 3 Kupang in the school year 2019/2020 were 40 (25.80%) of Omission, 19 (12.25%) of Addition, 82 (52.90%) of Misformation and 14 (9.03%) of Misordering. The total number of errors were 155.
2. The most common error made in writing decriptive text by the tenth grade students of SMA Negeri 3 Kupang in the school year 2019/2020 was Misformation with the total number 82 (52.90%) errors.

5.2 Suggestions

The writer would like to give some suggestions to the teacher and the students that might be useful based on the conclusion above.

1. For the English teacher of SMA Negeri 3 Kupang

The teacher should teach the students how to write a good text especially in writing descriptive text and the teacher should give the chance to the students to practice it.

2. For the students of SMA Negeri 3 Kupang

The students should learn more how to write well especially in writing decriptive text. Students should pay attention to grammar and vocabulary especially the tense they use in writing.
