

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter, the writer would like to offer some conclusions and suggestion based on the result of the study.

5.1 Conclusions

Based on the result of data analysis and discussion in the previous chapter, the conclusions are as follows:

1. The tenth grade students of science class of SMA Katolik Giovanni Kupang in school year 2015/2016 are able to write recount text. All the subjects (20 Respondents) passed the writing recount based on the topic is given.
2. The ability level of the tenth grade students of Science class of SMA Katolik Giovanni Kupang in writing recount text form based is 50%. Based on the score the students ability level is classified as “Excellent” level.

5.2 Suggestions

Based on the conclusions that the writer got from the data analysis, the writer would like to give some suggestion, which might be useful for the teaching of English in general and particularly in the teaching of writing recount text.

Although the students are able to writing recount text, they committed many ungrammatical sentences. Therefore, the writer wants to suggest the following things to the teacher.

1. The teacher should give explanation to the students about the generic structure in write recount text and the purpose of recount text.
2. The teacher should give more attention on the teaching of grammar especially the use of past verb (V₂) in sentences.
