

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 Conclusion

As mentioned in the first chapter, the purpose of this research is to analyze the students ability in writing texts and to find out the student abilities in writing texts at SMAN1 Amanuban Selatan. There are several results that should be concluded in this chapter.

1. This study shows that the eleventh grade at SMAN 1 Amanuban Selatan are able to writing texts.
2. This study also shows the level of writing ability of SMAN 1 Amanuban Selatan students is good with a score of 80.7.
3. Additional findings there are the difficulties faced by students in writing text were grammar, vocabulary and mechanics.

5.2 Suggestions

Based on the result finding, the writer would like to give some suggestions:

1. The students should review the lesson at home and enlarge their knowledge about grammar, vocabulary, and mechanics of writing text, also they should focus their knowledge on writing text.
2. The readers are recommended to use this thesis as one of the references in finding information about the analysis of student ability in writing text.
3. Teachers are expected to remedial teaching to students to help them in learning writing texts.
