

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter, the writer would like to discuss the conclusion and suggestion based on the result of data analysis.

5.1 Conclusion

Based on the study conducted by the writer as described in previous chapter, it can be concluded that:

1. The eleventh grade students of SMA Swasta Terakreditasi PGRI Kupang in the School Year 2015/2016 are able to speak English especially in oral monologue of making things or procedure of making things.
2. The level of speaking ability of the eleventh grade students of SMA Swasta Terakreditasi PGRI Kupang in the School Year 2015/2016 is **advance (11.3)**.
3. The areas of difficulties faced by the eleventh grade students of SMA Swasta Terakreditasi PGRI Kupang in the School Year 2015/2016 in their speaking were grammar, vocabulary, and pronunciation. But, the most difficult area of speaking was in **pronunciation**. It can be seen from the result of the study, the student ability level of each element, as follows: The grand score of grammar is 59 and the average is **4.5**. The grand score of vocabulary is 46 and the average is **3.5**. The grand score of pronunciation is 42 and the average is **3.2**.

In this study, the writer analyzed the students' errors in speaking performance were not from the students' comprehension as whole oral monologue of procedure of making things but it was based on the errors made by the students in every sentence.

5.2 Suggestion

Based on the result of the study and the conclusion discussed above, some suggestion can be given, as follows:

1. The English Teacher

- a. It is advisable to train the students to speak English frequently with correct their grammar, vocabularies, pronunciation. And the teacher should motivate and encourage the students to increase their language skill especially speaking skill on each aspect. It can be done by: asking the students to enrich their vocabulary through reading English books, news papers, magazines, articles and memorize the vocabularies they have got. In increasing their grammar, it can be done through: do the exercises that given by the teacher. In improving the students' pronunciation, the teacher should ask them to listen to English news, English songs, and English movie. And crucial part of it, they have to practice their pronunciation everyday.
- b. The English teacher should involves the students on every activity in the class in order to the students are able to deliver and explore their knowledge of speaking.

2. The Eleventh Grade Students

- a. In order to improve their speaking ability the students need to speak English frequently and they have to get involved in every activity in the class.
- b. In order to improve their speaking skill on each aspect (grammar, vocabulary and pronunciation) It can be done by: in improving their vocabulary, the students should read English books, news papers, magazines, articles and memorize the vocabularies they have got. In increasing their grammar, it can be done through: do the exercises that given by the teacher. In improving the students' pronunciation, they have to listen to English news, English songs, and English movie. And crucial part of it, they have to practice their pronunciation everyday.
