

CHAPTER V

CONCLUTION AND SUGGESTION

In this chapter, the writer would like to present some conclusion and suggestions based on the data analysis.

5.1 Conclusions

After doing the analysis of this study, the writer concludes the following facts happening to the eighth grade students of SMP Angkasa Penfui Kupang in the school year 2014/2015.

1. The eighth grade students of SMP Angkasa Penfui Kupang in the school year 2014/2015 are able to speak English through dialogues.
2. The ability level the eighth grade students of SMP Angkasa Penfui Kupang in the school year 2014/2015 in speaking through the dialogue is 8.32. it is classified as **ADVANCED**.

5.2 Suggestion

Going in line with problems faced by the students, there are some suggestions that the writer wants to gives, as follows.

1. For the Teacher

It is good for the teacher to use dialogue in teaching learning not only in speaking, but also listening, reading, and writing. However, the teacher is suggested to pay attention to the lack of vocabulary and grammar of the students by teaching and practicing vocabulary and grammar of English.

2. For the Students

The students are suggested to learn and practice vocabulary and grammar of English before doing speaking, and be more self confident in presenting speaking in front of the audiences.
