

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter the writer presents the conclusion of this study and suggestion that would be useful. The conclusion are the answer of the statement of the problem stated in chapter I and the some suggestions which is based on the conclusion that are gained from the result of analysis and discussion.

5.1 Conclusion

Based on the result of the data analysis, the writer comes to the conclusion. The result of data analysis indicates that the eleventh grade students of SMA SUDIRMAN Kupang are able to understand the text that they have read and their level of ability as follow: 13 students who got very good level of ability ranging from 8.6 – 9.5. 8 students who got good level of ability ranging from 7.6 – 8.5. 3 students who got fairly good level of ability ranging from 6.6 – 7.5. Based on the data above, the writer made a conclusion that the ability of the students is good.

5.2 Suggestion

Based on the conclusion, the writer would like to give some suggestions as shown below.

1. For the English Teacher

For the English teacher at SMA SUDIRMAN Kupang, should pay more attention to the student's vocabulary and check the students mastery on the vocabulary used in the reading text.

2. For the students

The student should keep on learning to improve the reading ability and to increase their stock of vocabulary.
