

## **CHAPTER V**

### **CONCLUSIONS AND SUGGESTIONS**

In this chapter the writer presents some conclusion regarding this research and also offers some suggestions.

#### **5.1 Conclusions**

After analyzing the data, the writer finally can conclude this study in the following lines.

1. The eleventh grade students of SMAN 6 Kupang in the school year 2014/2015 mostly are able to use vocabulary. It is indicated by the total number of students who passed the test. In fact, there were 18 students passed and only 2 students who failed in the test.
2. The ability level of the eleventh grade students of SMAN 6 Kupang is good. The average score is 8.35. It is classified as good ability level.

#### **5.2 Suggestions**

The writer also offers some suggestions for the following people as the closing of this study. The suggestions are presented on the following lines.

1. For the Teacher

The teacher should improve students' vocabulary mastery, especially in choosing the appropriate vocabulary to be used and also make sure that the students are introduced to the new vocabularies which are ever found by themselves by using teaching media such as picture, games, or other suitable media.

## 2. The Students.

The result shows that the students have mastered the vocabulary with the level of mastery is fairly good. It is expected that the students can keep increasing their vocabulary in and out of school by reading more English book.
