

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter discusses about the conclusion of the research and the suggestions for the teacher, the students, and for the other researchers in line with the objectives of study. Each section is described as follows:

5.1 Conclusion

The research is about improving students English speaking ability using storytelling technique. The research findings obtained from this study can be concluded as follows:

- a. The use of Storytelling technique is effective and it improves students speaking ability.
- b. Storytelling technique influences the classroom situation, teaching learning process more active, enjoy, alive, and interesting. They become brave to speak in front of the class.
- c. The students grade was increased from post – test 1 to post – test 2, the mean score for post – test 1 is 50 % or 9 students who gained the passing grade and for post – test 2 is 78 % or 14 students from 18 students, more than a half of students gained the passing grade and in the Good level.

5.2 Suggestion

Based on the conclusion of the of research result, the writer would like to propose some suggestions for teacher, students, and the other researcher. The suggestions can be put forward as follows:

1. The english teacher can use this technique as an alternative way in teaching speaking.
2. For the sake of students improvement in speaking ability, students are suggested to:
 - a. Seriously join the English class and be more active to do each task or exercise.
 - b. Improve their English by reading English books and listening to radio, songs and TV programs that use English.
3. For the other researcher who would like to continue the research, this writing can be used as an additional reference.

Finally, the writer aware of inadequacy of this writing. He hopes further researcher with different discussion can make a revision within development of this technique.
