

CHAPTER V

CONCLUSION AND SUGGESTION

Based on the discussion, the writer would like to give some conclusion and offer some suggestion are useful for the reader.

5.1. Conclusion

1. The dominant figurative language found in J.R.R. Tolkien's novel The Lord of The Rings; Fellowship of The Ring are Metaphor and Symbolism.
2. The analysing of metaphor and symbolism can be seen as follow:
 - a. Metaphor analysis

Based on the contain The Lord of The Rings; Fellowship of The Ring the writer mention metaphor to two categories. They are metaphor to give expression of ideas or feelings and metaphor to advice.

- b. Symbol analysis

The writer found two symbol in this novel. First is The ring of power The ring of power in this novel means pure, powerful, responsibilities, and danger. Second is The Mirror of Galadriel, Galadriel means a symbol of sacrifice and unlimited power.

5.2. Suggestion

The writer has some suggestion for the improvement of literary research in the future:

1. For the other people who want to analyze literary works, it is better to look for as many sources as the research can get so the research will be more satisfying.
2. For the next Researcher, when they take the research, they may give special attention finding the figurative language from that story.
