

## **CHAPTER V**

### **CONCLUSION AND SUGGESTION**

Based on analysis presented in chapter IV, the writer would like to draw some conclusions and offer the suggestions as follows:

#### **5.1 Conclusions**

The research was conducted to find out the effectiveness of using picture series strategy in teaching writing. It has shown that by using this strategy in teaching writing students' writing skills is increasing. The result of the analysis shows that the value of x is 15.2 and y is 9.8. This means that, the score of post-test is higher than pre-test.

By looking at the result obtained, the writer may conclude that teaching writing by using picture series strategy is effective and interesting way that can be applied in teaching writing because there is significantly improvement of students' writing skill after teaching using picture series strategy.

#### **5.2 Suggestions**

Based on the result of the research, the writer gives some suggestions for English teacher, students, and readers as follows:

1. The result of this study shows that using picture series strategy is effective in improving students' writing skill so the English teacher is suggested to apply this strategy in his/her teaching learning process.

2. The English teacher should pay attention to students' need and characteristics by using this strategy in teaching writing to make them easier in learning English.
3. Picture series technique can be an alternative to overcome student's boredom in learning English.
4. This strategy or technique is suggested to be used by English teacher or others.
