

## **CHAPTER V**

### **CONCLUSIONS AND SUGGESTIONS**

#### **5.1 Conclusions**

Based on the previous discussion and the result of research, the writer presents the conclusion as follows.

1. The ability on Vocabulary can influence the ability on Reading of Natural science Program students of SMAN Tuabatan Miomafo Tengah.
2. The competency of vocabulary in target language may help a reader in comprehending a reading text.
3. Based on the data described previously, it shows that there is significant correlation between the score in Vocabulary and the score in Reading because the result of this research shows a moderate positive correlation. It means the higher score in vocabulary the better score in reading of Social program of SMAN Tuabatan Miomafo Tengah in the school year 2013/2014 will be.

#### **5.2 Suggestions**

From the conclusion above, there where are some suggestions that can be given:

1. The students of SMAN Tuabatan Miomafo Tengah (Natural science Programs) are advised to improve scores of Vocabulary at least “B” to support the process of reading subject.
2. Vocabulary subject should have been given before the students take reading subject.
