

CHAPTER V

CONCLUSION AND SUGGESTION

In this chapter, the writer presents the conclusion and offers some useful suggestions. The conclusion goes in line with the problem statement, theory, and the result of data analysis. The suggestion goes in line with the significance of the study. They are presented below.

5.1 Conclusion

There are three problems of statements of the study. Therefore three conclusions as shown below.

1. The seventh grade students of SMPK Santa Maria Assumpta have not been able to write descriptive paragraph based on the pictures.
2. The students' ability in writing descriptive paragraph is below average 4, 20. It is classified as below average according to the standard measurement applied.
3. The seventh grade students of SMPK Santa Maria Assumpta face many difficulties in writing descriptive paragraph based on the pictures. Their areas of difficulties starting from least up to highest number of areas of difficulties. Most of them very difficult to use the word order and vocabulary properly in write the decriptive paragraph.

5.2 Suggestion

Based on the significance and the result of the study then the writer offer some suggestions to the following persons.

1. For the Students

The students at the researched school should study more on grammar and vocabulary so that they will be able to write paragraph correctly.

2. For the English Teacher

English teacher should pay more attention in teaching grammar and vocabulary so the students can write descriptive paragraph grammatically correct.

3. For the Writer

As a prospective English Teacher, the writer should pay more attention in teaching paragraph.
