

## CHAPTER V

### CONCLUSION AND SUGGESTION

It is the last chapter from this thesis. The writer presents the conclusion of the study and the suggestions. The conclusion is in line with the problems statement of the study, objective of the study, and the result of the data analysis. The suggestion is in line with significance of the study and the result of the study. The conclusion and the suggestion are presented below:

#### 5.1. Conclusion

The followings are the conclusion that can be drawn from this study based on the data analysis. They are:

1. The tenth grade students of SMA Negeri Harekaka Betun in the School Year 2016/2017 are *able* to comprehend reading text literally.
2. The average of their grade is **8.53**. Based on the standard of measurement used in this study, the ability level of the tenth grade students of SMA Negeri Harekaka Betun in the School Year 2016/2017 is *good*.

#### 5.2. Suggestion

Based on the result of data analysis and discussion, the writer would like to give suggestions that might be useful. The suggestions are presented in detail below.

1. To the Writer

The writer is a prospective teacher in preparing herself to become a teacher in the future. Seeing the result of the study above the writer is motivated to study

hard about English grammar, acquire many vocabularies and try to get a good way of how to solve their problem in comprehending reading text.

2. To the English Teachers

The result of the data analysis and the suggestion can give valuable contribution to the teacher of English about the ability of students in reading text. So, the teacher should to give more practice to the students. It can be done by providing various reading texts that should be comprehended by students either in class or at home. They should also help them to master the grammar and vocabulary that can help them comprehending reading text.

3. To the Students

Based on the result of the study, they can be motivated to study more English, especially in comprehending of English text. For the students who had below average they can try to do more exercises in English reading text. The writer also suggests them to learn more about grammar and vocabulary that can help them to comprehend reading text.
